

Making a Payment through DepositLink Pay

- Start at the company's [DepositLink Pay Page](#)
 - Each company signed up with DepositLink will have a unique URL,
 - Select the state (if available) and the branch,
 - Click 'Continue',

- Enter the [Property Address](#) you are making the payment for
 - Enter the email and name of the agent you are working with.
 - Click 'Continue'.

- Enter your [email address](#) and click 'Continue'
 - Continue by entering in your basic contact information.
 - Read and agree to the Terms of Services and Privacy Policies.
 - Click 'Continue' again to move forward.

- Enter the **Amount** you are making the payment for
 - You can enter an amount up to \$85,000.
 - Adding a memo is optional.
 - \$12 fee will be added on.
 - Click 'Continue'.

The screenshot shows the 'Payment Amount' step of the escrow process. At the top, it says 'Title & Escrow Partners' with a logo. Below that, it specifies 'Escrow payment to: Mass & NH Titles & Co. - Boston - Broadway'. A progress bar indicates the current step is 'Payment Amount', with previous steps 'Property Info' and 'Verify Identity' completed, and 'Connect Bank' and 'Review & Confirm' pending. The main area has a 'Payment Amount' input field and a 'Memo' input field. At the bottom, a summary table shows:

Payment Amount	\$0.00
Processing Fee	\$12.00
Total	USD \$12.00

- **Connect a bank account** using one of the following options:
 - **Plaid:** Allows you to connect to your financial institution instantly using your online banking credentials.
 - **GIACT:** Allows you to connect to your financial instantly by entering your bank account and routing number.

*If you are unable to connect instantly, a third option to start the micro deposit process will become available. This will allow you to enter your bank account and routing number. That will trigger two small deposits (under 0.10) to deposit to that account within 1-3 business days. Once you receive the deposits you'll come back to DepositLink to confirm the amounts and make the connection.

The screenshot shows the 'Connect Bank' step of the escrow process. At the top, it says 'Choose a secure option to connect a bank account.' A progress bar indicates the current step is 'Connect Bank', with previous steps 'Property Info', 'Verify Identity', and 'Payment Amount' completed, and 'Review & Confirm' pending. Below the progress bar are two options for connecting a bank account:

Enter online banking login credentials

Connect a bank account instantly by entering your online banking login credentials using Plaid's secure Instant Auth feature.
